ORGANIZATIONS

Founder / Director

Detroit Frequency (Detroit, Michigan) July 2022 - current

- Established, and currently lead, Detroit Frequency, an audio recording meetup group dedicated to fostering a vibrant audio community in Detroit.

- Plan, organize, and execute engaging bi-monthly field recording workshops in diverse locations throughout Detroit.
- Skillfully use Eventbrite to schedule and manage online ticket sales, ensuring a seamless and user-friendly experience for attendees.
- Develop compelling marketing and communication strategies to engage registrants and build a strong social media following.
- Mindfully handle the collection of donations after each event, ensuring accurate record-keeping, and promptly submit them to the esteemed Underground Music Academy in Detroit.
